# **Guidelines for Pre-Registration for FDTS/HDD**

**Academic Research Division**

Birla Institute of Technology and Science, Pilani  
Hyderabad Campus

### Pre-Registration for FDTS/HDD

First degree and higher degree students are eligible for First Degree Thesis and Seminar (FDTS) and Higher Degree Dissertation (HDD) respectively. Each of these courses is of one semester duration and is operated round the year (August to December and January to May). *A student intending to do FDTS must register concurrently for a thesis and a seminar course.* FDTS/HDD is one of the requisites for graduation of all students of the Thesis and Seminar (TS) stream. The aim of the thesis/dissertation course is to train a student in the methodology of research, to cultivate a logical and creative thinking and to make him express his findings in the form of a scientific report. It also gives an opportunity to the student to comprehend his subject knowledge and apply it to the given problem. The Associate Dean, Academic Research Division (ARD) is the IC for this course. The Departmental Research Committee (DRC) of the individual departments must compile data pertaining to the various evaluation components and submit the same to ARD by the deadline mentioned in the respective handouts (attached).

#### Suggested important dates:

| Activity  | First semester            | Second semester        |
|---|---------------------------|------------------------|
| Notification to students about pre-registration by HODs/DRCs          | November 20 <sup>th</sup> | April 20 <sup>th</sup> |
| Submission of filled pre-registration forms by student to HOD/DRC     | November 30 <sup>th</sup> | April 30 <sup>th</sup> |
| Submission of pre-registration data (filled Annexure 6) to ARD by DRC | December 7 <sup>th</sup>  | May 7 <sup>th</sup>    |

The FDTS/HDD process begins with pre-registration, the details of which are as follows:

1. Pre-registration should be done **one semester prior** to the semester when the thesis/dissertation work will be carried out.
2. To begin with, all Heads of Departments need to put up a notice about pre-registration deadline and the place where pre-registration forms can be obtained (either the link on the website or from DRC of the respective departments). Copies of pre-registration forms are attached (Annexures 1 and 2). These preregistration forms can be customized by the individual DRCs, based on their requirements.

*Suggested date for putting up the notice– Nov 20<sup>th</sup> for first semester / April 20<sup>th</sup> for second semester; suggested deadline for submitting filled pre-registration forms to DRC- Nov. 30<sup>th</sup> for first sem./April 30<sup>th</sup> for second sem.*

3. A student interested in pursuing FDTS or HDD either off or on-campus should meet with the HOD of his/her department and express his/her intention for the same. *Dual degree students can pre-register through either of their departments.*
4. Students opting for on-campus thesis/dissertation need to **only** fill out **Annexure 1(for HDD) or Annexure 2 (for FDTS)**. Students intending to carry out off-campus thesis/dissertation should also fill out **Forms A and B (provided separately)** in addition to the respective Annexures.
5. If a student wants to carry out **on-campus** FDTS/HDD from a department other than his/her own, the pre-registration form should carry the signature of the HOD of his/her own department as proof of his knowledge and permission.
6. Off-campus thesis/ dissertation can be done only in a research organization/ University **not** associated with Practice School programme with BITS. A student must obtain consent from Head of the concerned department and Associate Dean, Practice School Division before applying to any organization for off-campus thesis/dissertation. *Alternately, the HOD can also obtain consent for off-campus thesis/dissertation from an organization.* A format for communication with an organization for off-campus thesis/dissertation is provided in Annexure-3.  
Procedure for application is as follows:
  - Student should approach Associate Dean, Practice School Division with completed **form-A**.
  - Submit **form A** (forwarded by PS Division) to the concerned HOD for approval.
  - After obtaining consent from HOD, student can approach a research organization/ academic Institute and obtain the consent of tentative supervisor on **Form-B**.
  - Student must submit his application to HOD along with duly signed **forms A & B** along with filled **Annexure 1 or 2** (as applicable)
7. A student intending to pursue off-campus thesis/dissertation should identify a co-supervisor from within the institute and get his/her signature on Annexure 1 or 2 (as applicable) along with that of the supervisor and the HOD. Co-supervisors of off-campus thesis/dissertation students should kindly ensure that any publications arising out of the proposed off-campus work should include BITS-Pilani affiliation. A format for communicating with off-campus supervisor for procedural modalities is provided in **Annexure 4**.
8. An off-campus thesis/dissertation student needs to be given a **No Objection Certificate** (on BITS-Pilani letterhead; format in **Annexure 5**) to furnish at the concerned organization.
9. Please note that, prior to pre-registering a student, the HOD needs to verify whether the student belongs to the Practice School (PS) stream or Thesis and Seminar (TS) stream. If PS, the student needs to be asked to apply for transfer of PS to TS at the University Industrial Linkage Division (UILD).
10. Following pre-registration, the Departmental Research Committee (DRC) should compile the pre-registration information in the prescribed format (**Annexure 6**). **This final list has to be sent to the ARD by 7<sup>th</sup> May (second semester) or 7<sup>th</sup> Dec (first semester).**

11. ARD will compile the information received from all departments and transfer the same to Academic Research and Counseling Division (ARCD) for preparation for registration in the next semester.
12. The student should come to the campus to finish registration process. *Off-campus thesis/dissertation students can register by email.*
13. Following registration, students should be informed to consult their respective Hand-Outs (will be circulated to all DRCs from ARD and also uploaded on CMS).
14. After the commencement of thesis/dissertation work, TS-1 form (copy provided with the handout) must be properly filled and duly signed by the respective students' supervisors and a scanned copy of the same must be submitted to the HOD within two weeks of the semester start date (please see Hand-Out for the deadline) . The HODs can then send the same to ARD as a compressed file of all the scanned copies on or before the deadline as per the Hand-Out. *Please note that the DRC of the department that a student's supervisor/co-supervisor belongs to is responsible for his/her TS-1 form, grades etc.*
15. DRCs should compile all evaluation data belonging to their respective departments and submit to ARD as per the deadline given in the handout.
