Registration Fees*

The registration fees for participants are:

Participant Profile	Rates*
Delegates from Academia	AED 400/-
Delegates from Industries	AED 500/-
Student Delegate (B. Tech.)	AED 300/-

*All prices are INCLUSIVE of 5% VAT at the current rate

Registration fees covers participation in all sessions of the conference, a copy of the proceedings, lunch, refreshments and gala dinner.

Dubai is a destination that mixes modern culture with history, adventure with world-class shopping and entertainment. Catch a show at the Dubai Opera, see downtown from atop the Burj Khalifa and spend an afternoon along Dubai Creek exploring the gold, textile and spice souks. It is also the site of Expo 2020, a universal exposition to be hosted following the theme "Connecting Minds, Creating the Future" while also focusing on Sustainability, Mobility and Opportunity.

About BITS Pilani

The Birla Institute of Technology and Science Pilani is an institution of international reputation. Over the years, BITS Pilani has provided the highest quality technical education to students from all over India and abroad admitted on the basis of merit. We are a multi-location University with three campuses in India (Pilani, Goa & Hyderabad) and one international campus in Dubai (U.A.E). All four campuses offers degree programs (B.E, M.E, and PhD) in Engineering, Science and Technology.

BITS Pilani Dubai Campus is one of the largest and the only institution exclusively dedicated to Engineering and Technology education in Dubai. It attracts a large number of students from UAE, other GCC countries, Asia, Africa and Far East. BITS Pilani offer B.E., M.E., M.B.A. and Ph.D. programs in various engineering and allied disciplines and more than 1700 students are admitted at the campus from over 20 countries worldwide. The vibrant campus has state-of-the art infrastructure and provides an opportunity to acquire best quality education in an international environment from well-experienced, highly qualified and dedicated faculty and research facilities.

BIFHC 2019

International Conference on Biotechnological Innovations in Food and Health Care

CALL FOR PAPERS

January 27-28, 2019

Organized by
Department of Biotechnology
BITS Pilani Dubai Campus,
Dubai International Academic City,
P.O. Box No 345055, Dubai, UAE

Email ID: BIFHC2019@dubai.bits-pilani.ac.in
www.bits-pilani.ac.in/dubai/biotechnology/BIFHC2019

About the Biotechnology Department

The Biotechnology department of BITS Pilani, Dubai Campus, is one of the most technologically advanced departments on campus. We have an esteemed panel of highly qualified faculty, who come from various backgrounds of specialization - such as Nanobiotechnology, Plant Biotechnology, Environmental Biotechnology, etc, take it upon themselves to encourage the student body to identify their field of interest, and further their skills within the same.

Chimera, the BPDC Biotechnology association, acts as a voice, providing the students with a platform to grow and learn. Guest lectures and talks are held by professionals in the field which keep students updated with recent discoveries and developments and provide them with industry exposure.

About the Conference

BITS Pilani Dubai campus invites delegates from academia and industry to be a part of two days of International Conference on Biotechnological Innovations in Food and Health Care (BIFHC 2019). The conference aims to bring together leading academic scientists, industry personnel and students to exchange and share their experiences and research on key areas of Food and Health Care. It also aims to provide an interdisciplinary forum for researchers, practitioners and educators to present and discuss the most recent innovations, trends, concerns, practical challenges and the solutions adopted in the field of Biotechnology. The conference will have oral and poster presentations from delegates from academia, R & D organizations and Industries.

Theme of the Conference

Authors are invited to submit abstracts covering, but not limited to, the following areas:

A: Biotechnological Innovations

- Food Microbiology,
- Enzyme Technology,
- Nutrition and Probiotics,
- Agri Food Technology,
- Food Engineering and Processing,
- Food Sustainability,
- Food and Flavour Chemistry,
- Food Science,
- Food Safety and Security,
- Management of Food Waste.

B: Health Care

- Pharmaceuticals,
- Pharmacokinetics,
- Biopharmaceuticals,
- Drug Design,
- Drug Delivery,
- Cosmetics,
- Metabolomics,
- Genomics,
- Toxicology

Publication:

Original research articles broadly within the scope of the conference topics, written in English language, are solicited. Authors will have options to present their research work through an Oral Presentation or a Poster Presentation. Authors are invited to initially submit a 1-page Abstract (in appropriate template), followed by a full-length paper (8 pages) upon the acceptance of the Abstract. The full-length paper would undergo peer review resulting in the acceptance/rejection for the presentation at the conference. The conference proceedings will contain peer-reviewed papers and will be distributed in digital form.

The conference proceedings are planned to publish full paper submissions in Scopus indexed journal subject to fulfilling quality requirement of journal (under finalization, details to be updated on Website). One Author can submit a maximum of two papers (one oral presentation + one poster).

Key Dates

Abstract Submission	16th December 2018
Abstract Acceptance:	18th December 2018
Manuscript Submission:	30th December 2018

Registration Deadline:	30th December 2018
Conference:	27th - 28th January 2019

Awards

Students and Research Scholars

Prizes will be awarded to 3 best papers presented by undergraduate and graduate students.

Researchers / Professionals

Prizes will be awarded to the best papers presented by a researcher from academia and industry.

Session Chairs / Judges will decide on the awards based on the quality of the written paper, the presentation and the quality of work.

Accommodation

Please check the conference website for suitable accommodation options near venue. Single-occupancy rooms in campus hostel can be provided on request basis at nominal rates which include meals
