**Supermodel, influencer, actress and philanthropist Elena Fernandes** had an interesting talk at TEDxBitsGoa, which was organized at BITS Pilani, Goa Campus recently.

The theme for the conference was "Flip the Script."

The finale talk which wrapped up the entire TEDxBitsGoa 2019 event was received well. Her showstopper slot also was cheered and lauded throughout the talk and also received a

huge round of applause at the end.

Elena spoke on her journey, her life and how work affects one's career and the choices they make.

Alongside her successful modelling career, Elena has made her acting debut in Kapoor and Sons which released worldwide. Elena has currently wrapped filming for 'Badla' with Amitabh Bachchan and 'Housefull 4' with Akshay Kumar.

Elena was last seen alongside Emraan Hashmi for 'Cheat India'. Elena has just finished filming a new series for Sony in India - House Proud season 2. Elena will also be

attending LV and Fendi for Milan fashion week 2019.

Elena is half Indian and half South American; her father from Goa and mother from Peru. In between shoots and various projects, Elena resides in London where she was born and raised. Elena is heavily involved with various projects in India to aid both animal and child welfare. As well as helping to raise awareness for numerous children charities, she is actively involved with talks at schools for PETA, WFA, US charity Sightlife as well as her own charity iAm Change.
