

# Admissions for PhD begin at BITS

TGLIFE

---

**B**ITS Pilani invites applications for second semester admission to the PhD programme (full-time and / or part-time) starting January 2020 in Pilani, Goa and Hyderabad campuses. Admission is open in the following departments –

- Engineering - Chemical, Civil, Computer Science, Electrical and Electronics, Mechanical
- Science: Biological Sciences, Chemistry, Mathematics, Physics
- Pharmacy
- Economics and Finance, Humanities and Social Sciences, Management

Eligibility criteria, department openings with regard to full and part-time student admission, eligibility of full-time PhD students for fellowship and other details are available on the BITS Pilani admission website <https://www.bitsadmission.com/phd>.

Meeting the minimum eligibility qualifications does not guarantee admission into the PhD programme. Shortlisted candidates will have to appear for an admission test, which may comprise of a written exam and/or interview. Information on specific departments and related research activities is available on the department homepage of respective campuses.

Online application will close on December 9 at 5pm. Name of short-listed candidates will be declared on the BITS Pilani admission website on December 20.
