

**Van Mahotsav celebrated
on BITS Pilani campus:**

BITS Pilani, K K Birla Goa
Campus celebrated Van
Mahotsav by planting around
200 saplings at its campus.

The saplings were provided by the forest department that included some medicinal plants like neem, kadamba, jamun, teek, karunja, alstonia, belpatra, jack fruit, amalbas and several others. Institute director Prof Suman Kundu, dean Prof Meenal Kowshik and estate manager A K Patil, members of the committee of Green Champions for Clean and Green Campus, faculty members and staff were present at the occasion. Forest department was represented by S Tendulkar and his team.
