1.5 Prof. V. N. Shet shared the experience of Goa Engineering College in accreditations, stressed the importance of uploading the AQAR (Annual Quality Assurance Report) and also gave several useful suggestions.

1.5 Prof. Sasikumar gave importance on coordination and information sharing among various activities of different departments, divisions and units of the Institute and also to have a seamless data gathering setup.
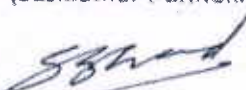

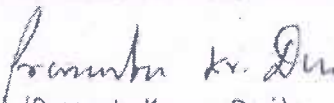

Action points:

A.1 Members suggested improvements to the IQAC website where all essential information about the IQAC i.e. its members, its goal/objectives, functions etc are available publically. The members also suggested that the campus AQAR needs to be uploaded in the BITS-Goa website once it gets the approval from the higher authority.

A.2 The next meeting to be planned after 3 months.

The meeting ended with a vote of thanks by the Chair.
