SECOND SEMESTER 2011-2012

Course Handout (Part II)

Date: 07/01/2012

In addition to Part I (General Handout for all courses appended to the time table) this portion gives further specific details regarding the course.

Course No : BITS C313

Course Title : Lab Oriented Project

Instructor-in-charge : BALAJI GOPALAN

1. Scope and Objective of the course:

The course is specially designed to provide an opportunity to the students for development of their academic skills and logical thinking through open ended lab oriented activities. As a part of education, this project course follows a method of learning and therefore, the student's actual day-to-day task involvement would constitute the central thread of the learning process. The evaluation will recognize this aspect by demanding day-to-day productivity and punctuality of the student.

2. Plan of Work:

The plan of work for each student will be decided by the respective Instructors. Each student should adhere to the plan of work decided for and should regularly monitor the progress of the project accordingly.
