[ ] yes

[ ] no

d) The outcome of the work

[ ] will improve the present state of art

[ ] will only be of an academic interest

[ ] will be useful for the industries

## **3. Background of the Proposed Research**

a) Is the literature survey up-to-date and adequately done to finalize the research topic?

[ ] yes

[ ] no

b) Is a broad summary of the present status given in the proposal?

yes

no

c) Are unsolved academic issues in the area highlighted?

yes

no

**4. Methodology**

a) Is the methodology to be adopted for exhaustive literature survey given?

yes

no

b) Are data sources identified?

yes

no

not applicable

c) Are experimental facilities for research work envisaged clearly?

yes

no

not identified

not applicable

d) If yes in (c), are envisaged experimental set-ups available at the place of work?

yes

no

not yet identified

not applicable

e) If yes in (c) and no in (d), is it explained how the work will be carried out?

yes

no

f) Are required computing facilities available at the place of work

yes

not able to judge

not applicable

g) Is methodology clearly spelt out for the completion of research work?

yes

no

**5. Literature References**

a) Is citation of literature done in a standard format?

yes

no

b) Is cited literature referred in the text?

yes

no

partially

c) Is cited literature relevant to the proposed work?

yes

no

**6. Overall Comments**

proposal may be accepted

proposal needs minor modifications

proposal needs revision

**7. Reasons for recommendation at item No. 6**

**8. Any other comments:**
