

## Message from G M, Corporate R & D, BPCL

**Dr. Sanjay Bhargava**  
General Manager,  
Corporate R&D

**BHARAT PETROLEUM CORP. LTD.**

I am very happy to learn that Indian Institute of Chemical Engineers (IIChE) which has number of Regional Centers spread across India is adding another Regional centre at Goa. This center will be of immense benefit to BITS, Pilani Goa campus and Institutes in adjacent areas as it will provide a platform to students & faculty to interact with Indian Chemical & Allied Industry, Academia & Research for continuous education, Professional excellence, networking and attaining global recognition.

My best wishes to one and all who have contributed towards bringing up Goa regional Centre of IIChE.

Regards,  
**Sanjay Bhargava**
