

Registration Fee for Papers

	Student*	Others*
Before 31 st May, 2018	₹ 2,500/-	₹ 5,000/-
1 st -30 th June, 2018	₹ 3,000/-	₹ 6,000/-
Spot Registration	₹ 4,000/-	₹ 8,000/-

*A concession of ₹ 500/- for ISAM members in each category.

Registration Fee for Workshop

	Student*	Others*
Before 31 st May, 2018	₹ 1,000/-	₹ 2,000/-
1 st -30 th June, 2018	₹ 1,500/-	₹ 3,000/-
Spot Registration	₹ 2,000/-	₹ 4,000/-

*A concession of ₹ 500/- for ISAM members in each category.

For fee payment procedure, please visit SWAYAM-2018 website:
www.swayam2018.in

Sponsorship

SWAYAM-2018 offers great opportunity for sponsoring organizations with special privileges for showcasing their products, services, technologies and solutions during the symposium/workshop.

Platinum	₹ 1,50,000/-	Gold	₹ 1,00,000/-
Silver	₹ 50,000/-	Bronze	₹ 30,000/-

The name, logo and website links of all the sponsors will be placed on SWAYAM-2018 website and banners. They will be provided space for advertizing stalls at the symposium/workshop venue as per the respective category and allowed to keep their brochures/product catalogues in the registration kit. Other specific entitlements and details for each category are available in the symposium website: www.swayam2018.in

Contribution to the symposium by sponsors can be made through Credit Card/Debit Card/Cheque/Demand Draft/Internet Banking. For the payment procedure, please visit SWAYAM-2018 website: www.swayam2018.in or contact: sponsorship@swayam2018.in

Workshop & Call for Papers

Symposium and Workshop for Analytical Youth on Applied Mechanics (SWAYAM-2018)

4th-6th July, 2018

VENUE

Lecture Hall Complex
BITS Pilani, K. K. Birla Goa Campus
NH 17B, Bypass Road,
Zuarinagar, Sancoale,
Goa-403726

Organized by

Indian Society for Applied Mechanics (ISAM)
&
Department of Mechanical Engineering,
Birla Institute of Technology and Science (BITS)
Pilani, K. K. Birla Goa Campus

About the Symposium

The objective of the first ever students' conference "Symposium and Workshop for Analytical Youth on Applied Mechanics (SWAYAM-2018)" is to provide a forum for young scientists, academicians, analysts, designers and practising engineers from around the nation to interact, exchange ideas and establish relationships in the core as well as interdisciplinary areas of Applied Mechanics, including theoretical, analytical, computational and experimental aspects, as well as modelling and analysis, design optimization, reliability assessment, instrumentation and product development besides setting directions for future growth.

About the Indian Society for Applied Mechanics (ISAM)

ISAM is an all India registered body under "The Tamil Nadu Society Registration Act, 1975". The society was registered on 17th October, 2016 and its registration number is 539/2016. The objective of the society is to advance the knowledge relating to Applied/Engineering Mechanics and in particular:

- To foster the diffusion of useful knowledge pertaining to the science and engineering of Mechanics of Solids, Mechanics of Fluids, Biomedical Engineering, Engineering Materials and Design Engineering amongst the members of the society.
- To bring together engineers and scientists engaged in any or all aspects of Applied Mechanics, for pooling the experiences and knowledge to solve technical problems of the society.
- To promote the intellectual welfare of the members of the society by organizing periodical meetings for discussing and publishing scientific papers on subjects connected with Applied Mechanics.
- To do all such other acts and things as may be necessary or desirable to further the objectives of the Society.

After successful completion of INCAM-2017 at MNNIT Allahabad, ISAM is ready to organize its first students' symposium SWAYAM-2018. For details, please visit ISAM website: www.isam2016.in

ISAM Membership Fee

Life Membership	₹ 4,000/-
Student Membership	₹ 1,000/-
Institution/Department Membership	₹ 30,000/- (minimum)
Corporate/Company Membership	₹ 50,000/- (minimum)

About the Host Institution

Founded in 2004, the Birla Institute of Technology and Science (BITS) Pilani, K. K. Birla Goa Campus, is one of four campuses of the university BITS Pilani. The location of campus is unique in the respect of scenic beauty and panoramic view of picturesque surrounding encompassing Zuari River, hillocks, waterways, forests and landscape. The fully residential campus, spreading over an area of 180 acres, is located in Zuarinagar, Goa. The Institute offers six B.E., six M.E. and five M.Sc. degree programs along with Ph.D. program under full time, part time, faculty development and Ph.D. aspirant schemes. Spacious Labs, state of art classrooms with soundproof acoustics, modern furniture, computer labs with Internet facility and Library define the infrastructural counters of the institution. The BITS Goa Campus has a BCCI-recognized cricket ground maintained by the Goa Cricket Association and a football ground maintained by Salgaocar F.C.

About the Department

The Department is offering programs at different levels namely B.E. (Mechanical Engineering), M.E. (Design Engineering) and Ph.D. At B.E. level, emphasis is laid on providing the opportunities to students so that they build upon their foundation of science and mathematics and acquire skills to solve real world problems. Students are also provided the opportunity to work on live projects at collaborating industry partners in the form of Practice School or work on advance research projects with faculty members in the form of a thesis. Research is carried out in the department at two levels: (i) Institute fellowship for fundamental problems, (ii) Externally sponsored projects for applied problems. The department also has a part-time Ph.D. scheme especially for working professionals in Industries or Academic Institutes. The department is well equipped with various laboratories, computational facilities and resources with wide range of hardware and software products to facilitate critical research.

Pre-symposium Workshop

Full-day workshop consisting of 3–4 parallel sessions on latest software and simulation techniques in various fields of Applied Mechanics will be conducted on **4th July, 2018**. Interested participants can register in any one session. For more details, please visit SWAYAM-2018 website: www.swayam2018.in

Call for Papers

The symposium will be held during **5th–6th July, 2018**. **Two page extended abstracts** are invited as primary submission in the subject areas of Solid Mechanics (SM), Fluid Mechanics (FM), Biomechanics (BM), Material Science (MS) and Design Engineering (DE) (but are not limited to the topics specified). After the peer review and incorporation of suggested modifications by the reviewers, the authors will be invited to submit full-length papers (4-6 pages). The extended abstracts will be published in the SWAYAM-2018 proceedings and the full-length papers will be provided in CDs/USB drives. In case of multiple authors, all of them will be awarded participation certificates only if all of them register and attend the symposium. Otherwise, only the presenting author will get the certificate. For extended abstract/full-length paper format and any further details, please visit SWAYAM-2018 website: www.swayam2018.in

Analytical Youth Scientist Awards

Five awards in each category: 1. Solid Mechanics, 2. Fluid Mechanics, 3. Biomechanics, 4. Material Science and 5. Design Engineering will be presented to researchers not exceeding the age of 30 years for publishing and presenting excellent research work in SWAYAM-2018. The authors who would like to be considered for the Analytical Youth Scientist Awards must submit the full-length papers within the deadline by writing "**Analytical Youth Scientist Award in (category)**" after the "*Reference*" section in the full-length paper and present the paper personally in the symposium. These papers will be send to distinguished faculty members of IISc/IITs/ NITs for review and evaluated on the basis of the full-length paper as well as oral presentation in the special sessions. The awards will only be distributed if sufficient number of papers are received in the respective category.

Important Dates

Extended abstract submission (2 pages)	1 st March, 2018
Initial acceptance	30 th March, 2018
Final acceptance notification	15 th April, 2018
Early registration	31st May, 2018
Full-length paper submission (4-6 pages)	31 st May, 2018
Pre-symposium Workshop	4 th July, 2018
Symposium	5 th –6 th July, 2018
